

Tri-State Food Bank, Inc. The 7th Annual CPA Day of Service is coming up on Friday, September 25 and USI's Beta Alpha Psi and Accounting Club are planning to have a volunteer activity at Tri-State Food Bank.

Feeding the Hungry Since 1982

Tri-state Food Bank serves as a distribution center that accepts donated food items and distributes them to non-profit organizations who feed thousands of people throughout a 33-county area in the tri-state. Without organizations like Tri-State Food Bank, much of the food that they receive would just be thrown away, instead of reaching the hungry people who need it.

It usually takes place from 8-4. You can work as long or as little as you like.
